# Auto Flow Assistant

Your book will be designed automatically. You will need to check orientation/cropping of images. Edit /Adjust where necessary.

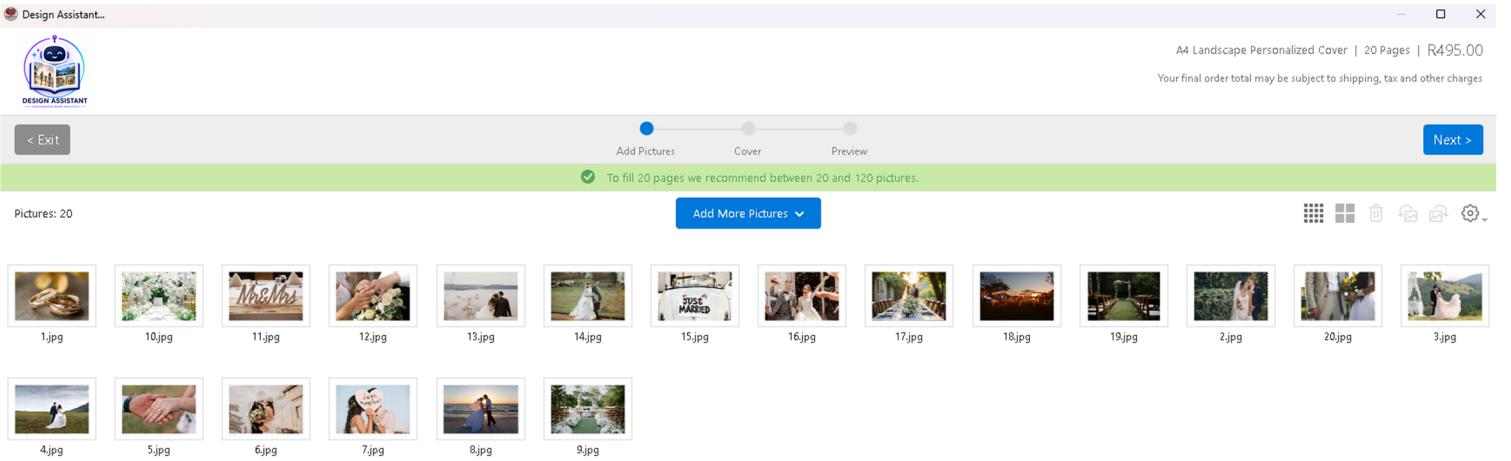

Guide -Number of images to select based on number of pages selected.

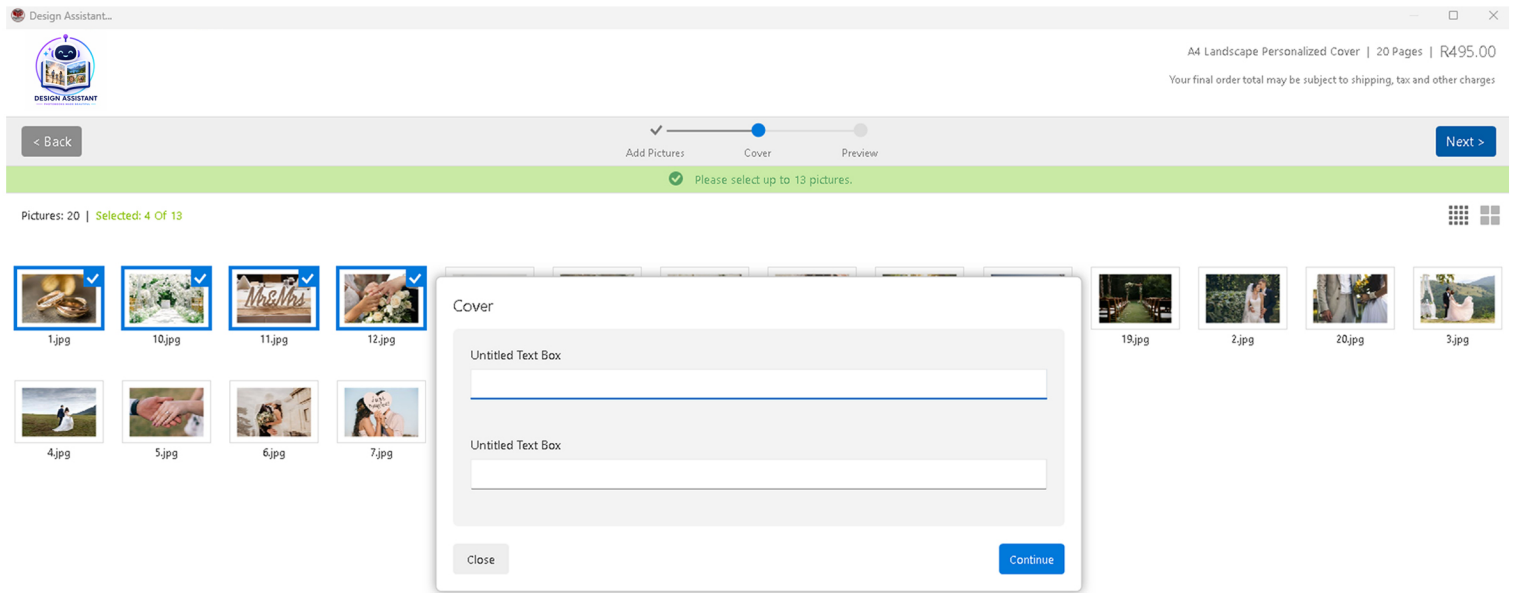

Select to add pics

Autoflow Assistant will design automatically

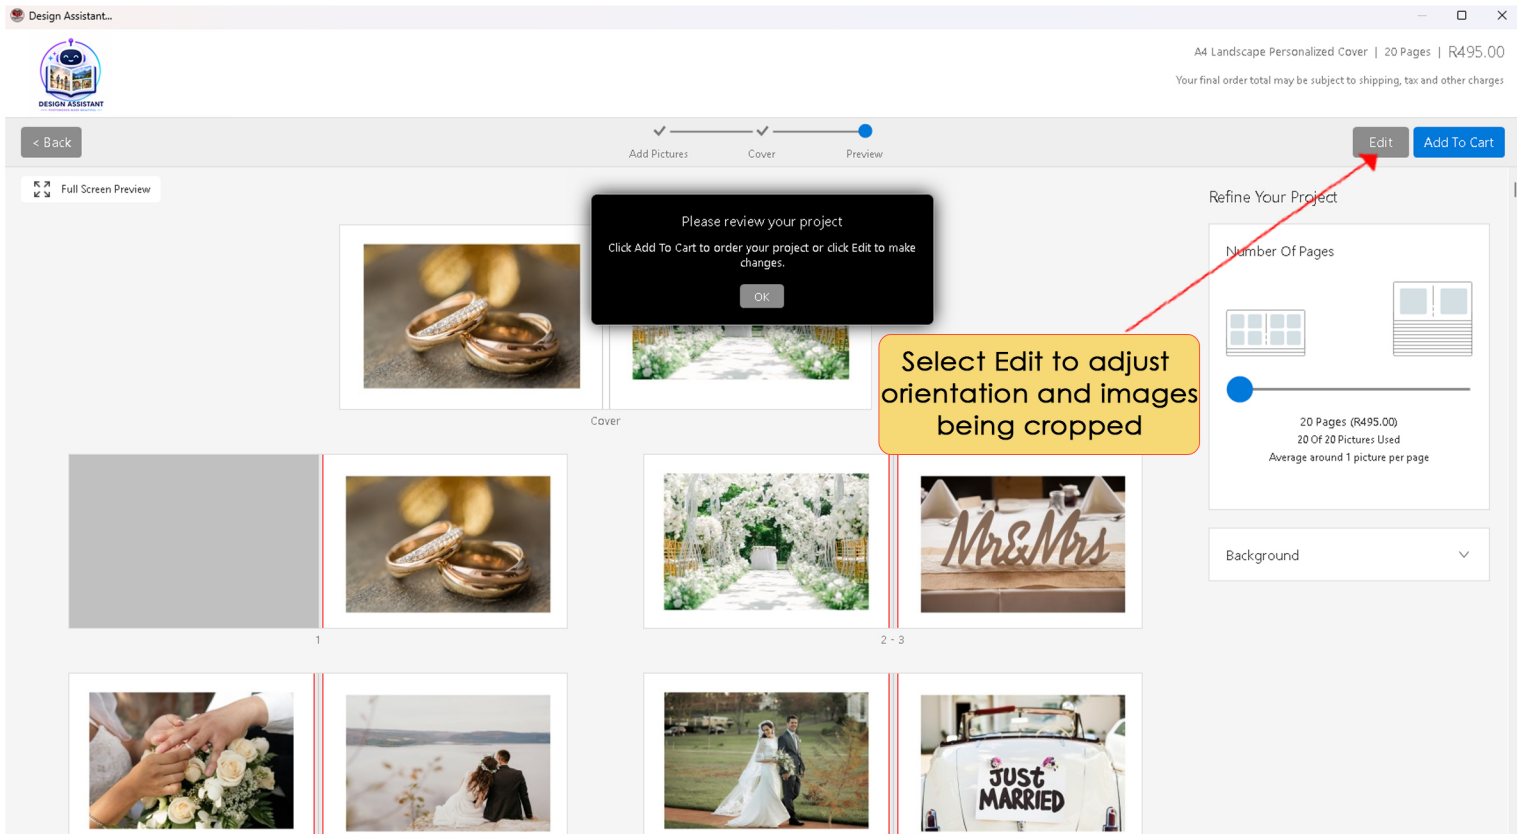

Editor Your Custom Design

Preview selection of images. You can add more pictures while designing.

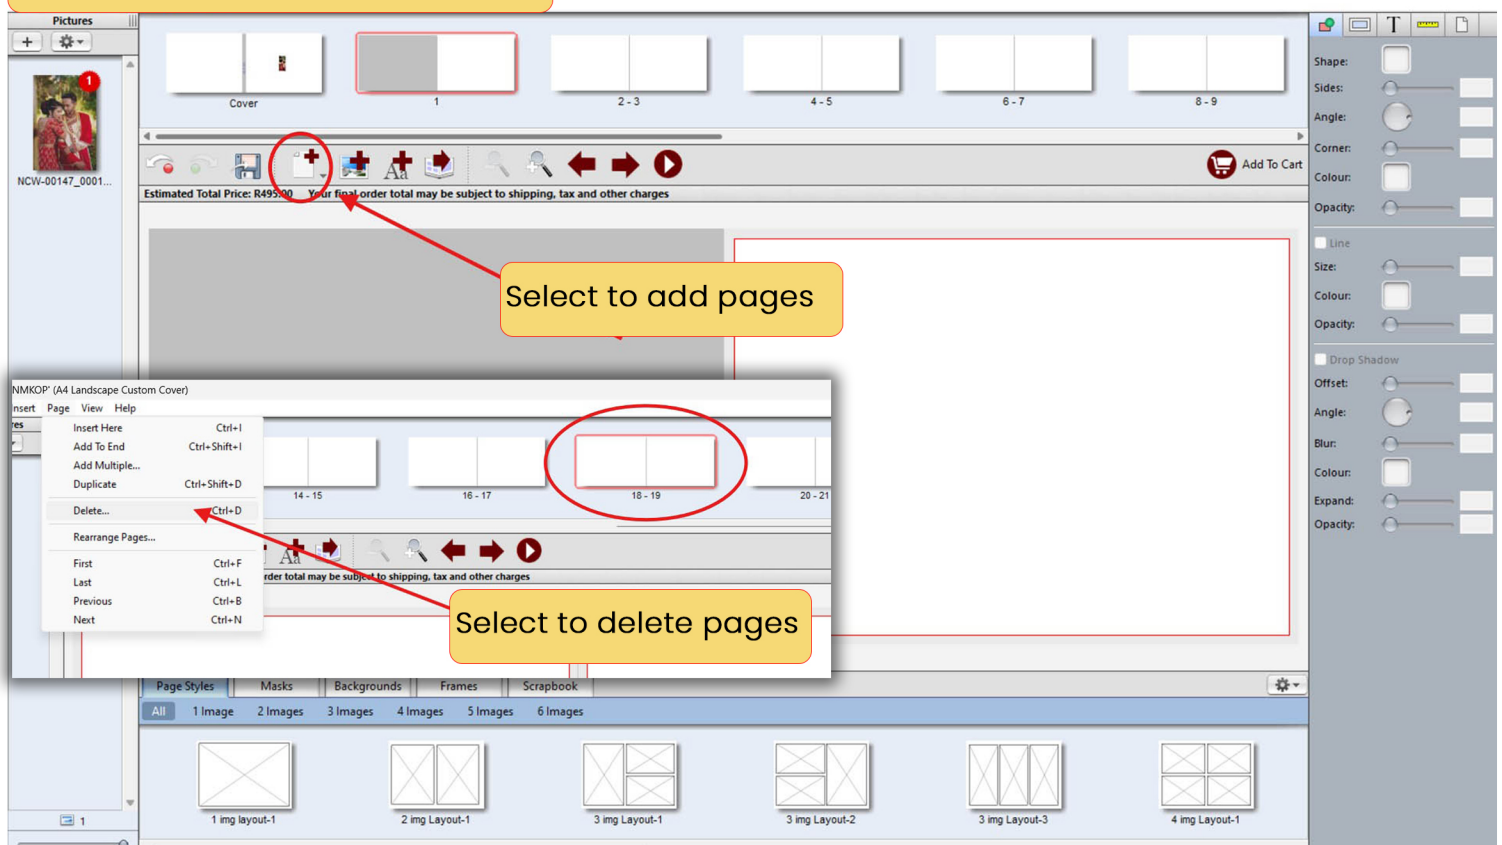

Select images for your cover + Add text to your cover.

Your photobook will be created automatically. Please review the image orientation and cropping, and make any adjustments where necessary before finalising your order.

## Editor / Custom Design

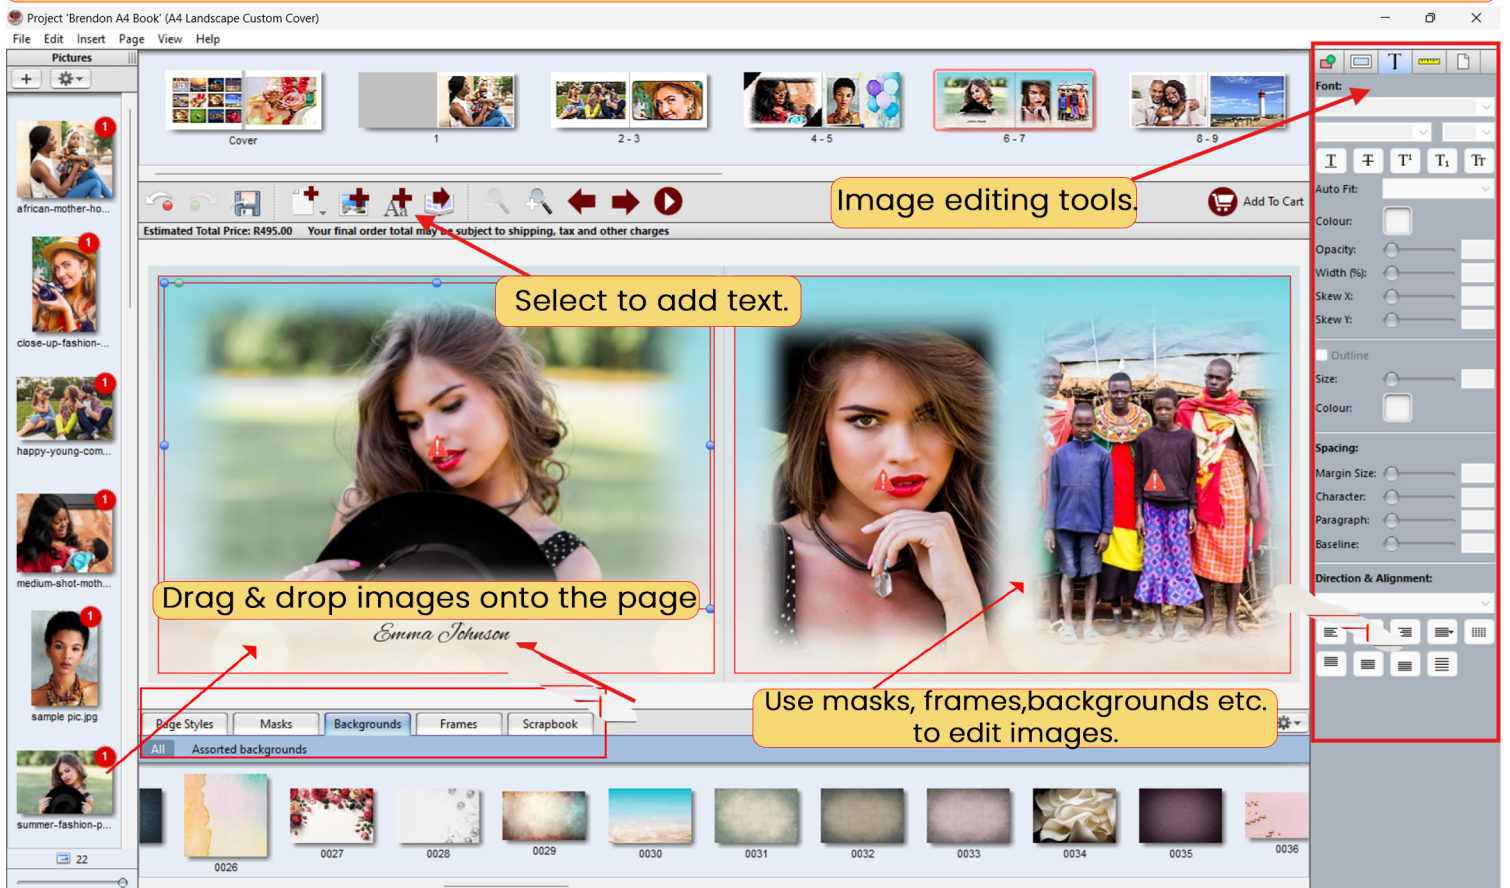

### Adding Pages:

To add pages, select + icon above. Pages can only be added in increments of 2

### Deleting Pages:

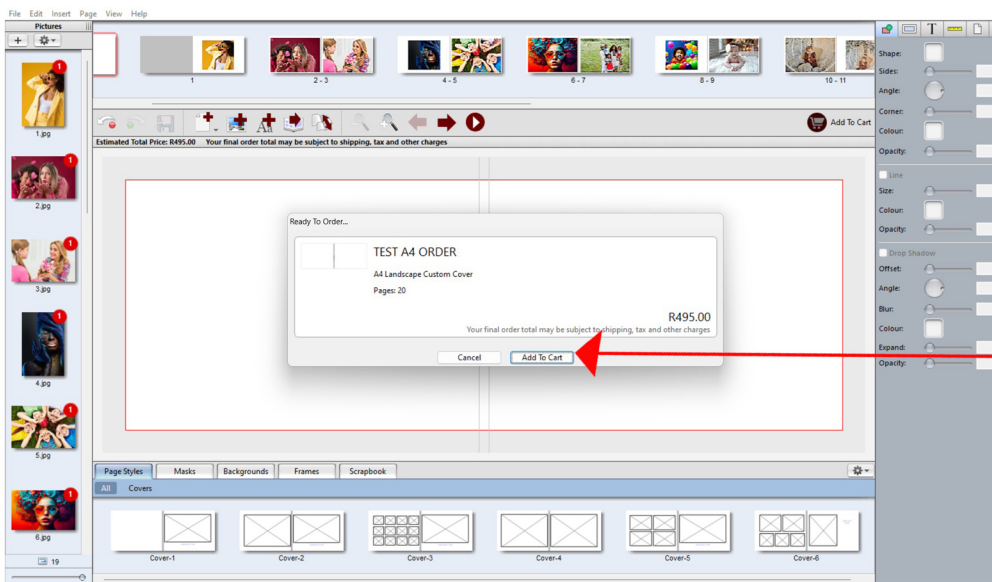

The minimum book size is 20 pages. Pages cannot be deleted below 20 pages. The first and last page cannot be deleted.

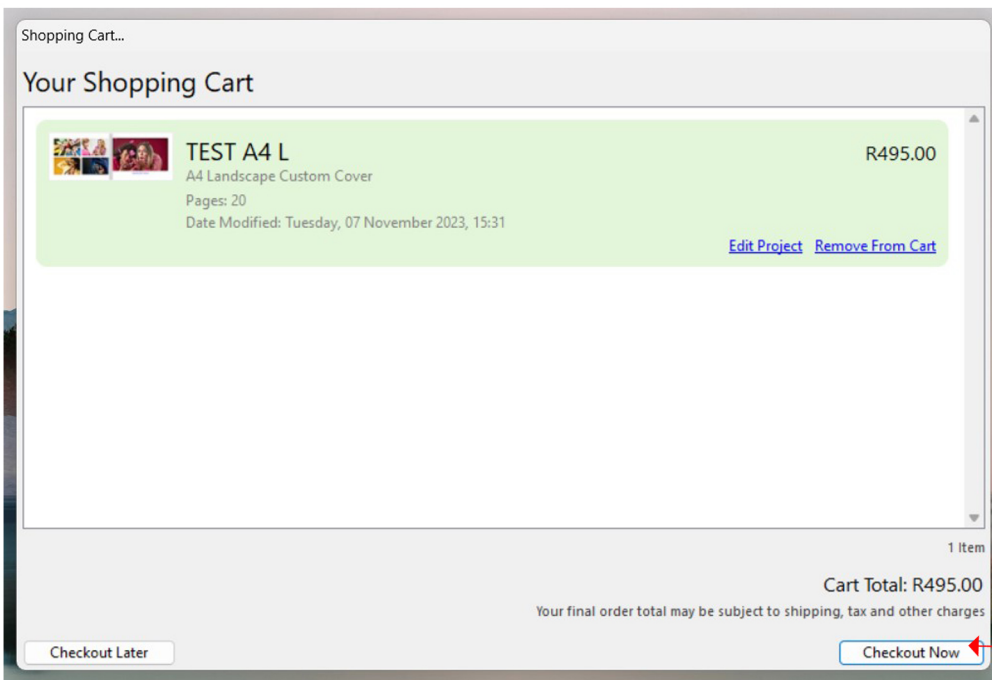

**Adding a photo to fill the page:** Simply drag and drop your image onto the page. Right click on the image

**For More Options:** Use the editing tools on your right-hand panel to enhance your design with: Borders | Drop Shadows | Rounded Corners etc.

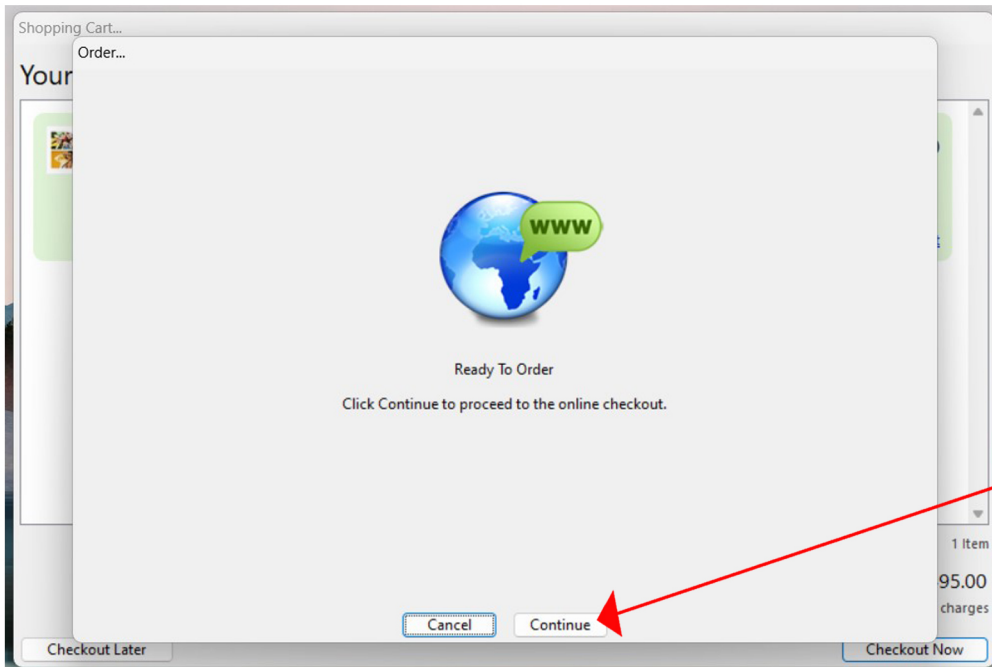

**To Add Text:** Select A+ icon as shown above. A text box will appear on the page. Use the editing panel on your right to customize your text by changing the Font style | Font size | Text colour etc. Create a unique and personalised design.
